Foothills Hospital Home Lottery - Already Over 50% Sold

CALGARY—Calgary Health Trust is pleased to announce that over half the tickets available in this year's Foothills Hospital Home Lottery have already been sold.

Headlining this year's lottery is a \$2.4 million Calbridge custom built showhome on Mahogany Island. Equally as stunning and sought after is the \$1.3 million Canmore villa, built by Spring Creek and located just walking distance to downtown Canmore. Both homes are awarded fully furnished and professionally decorated, along with \$50,000.

There are more than 7,500 big prizes available, and ticket purchasers have an impressive 1 in 20 chances to win! Tickets purchased before the April 15 Early Bird deadline will be eligible to win a 2016 Mercedes-AMG GT S, or \$180,000 cash.

The Take 50 Add-On jackpot is now over \$800,000 and growing daily.

Tickets are \$100 each, 3-pack for \$250, 5-pack for \$375 or 8-pack for \$500, and are available by phone at 1-888-541-5540 or online at www.FoothillsHospitalHomeLottery.com.
